

Skills For Employment: Acquiring employment skills in adult education through Gamification (S4EG)

3rd Newsletter: Let the games begin!

Piloting our games at rainy Ptuj, Slovenia – 27.9.2022-30.9.2022

Testing our serious games on soft skills

The S4EG project partners and other adult trainers spent a week in beautiful Ptuj, in Slovenia, testing our 6 board games based on 6 soft skills deemed important for the labour market, namely:

- Cyprus (CSI): Emotional intelligence
- France (Greta) : Self and time management
- Germany (VHS Cham): Communication
- Spain (Metodo): Creativity – The improbable game scenario
- Greece (P-Consulting): Collaboration and teamwork game
- Slovenia (Ljudska Univerza Ptuj): Brain'em – creative thinking and problem solving

Our games will soon be ready to download and/or play online through the project's website here: <https://s4eg.eu/>
